

Echoes OF JOY

A Day of Caring for the Homeless and Disadvantaged

Saturday, January 23
11 a.m.–3 p.m.

Neighborhood Facility Recreation Center

It is our goal this year to be able to provide meals, hygiene packages, haircuts, blood pressure and HIV screening, job opportunities, entertainment and positive social interaction to 400 of Portsmouth's homeless and/or disadvantaged. We truly believe that with your help we can achieve this goal.

We would greatly appreciate either you or your agency's support towards this cause either physically or with a tax-deductible financial contribution. Currently, our primary needs are food in large portions, slightly used clothing (particularly larger men's clothing), shoes, blankets, hats, gloves, socks, etc.

Sponsored by the City of Portsmouth
Department of Parks, Recreation
and Leisure Services
