FISHING PERMIT INFORMATION

The City of Portsmouth allows fishing/boating in the city's reservoirs located within the City of Suffolk by the issuance of Annual Fishing Permits. All fishermen over the age of 16 must also have a valid State or City of Suffolk fishing license. An annual permit allows the permit holder and guests in their company fishing/boating privileges within the City of Portsmouth owned reservoirs. These reservoirs are **Lake Cohoon, Lake Kilby, Lake Meade, and Speights Run**. Launch ramps providing public access to Lake Cohoon and Lake Meade are located at the Lake Cohoon Fishing Station on Pitchkettle Road. Speights Run has a boat ramp at the dam on Turlington Road. **The Lake Kilby reservoir does not have a public access facility.** Shore fishing is restricted to the area of the Lake Cohoon Fishing Station.

Annual Permit Fees

Non-residents, \$40.00

Senior Citizens, \$20.00 (Age 62 or above)

Portsmouth residents \$20.00

Permits include the issuance of a decal to be placed on the starboard bow (right front) of the permit holder's boat. **Boat Decals** allow boats to be moored at the Lake Cohoon Fishing Station or at private piers. Second boats on city properties will require the purchase of an additional Annual Permit. Boats which are left unattended are at the owner's risk. Annual Permits issued this year will expire on April 15, 2020.

Persons who do not desire to purchase Annual Permits may purchase **Day Permits** at the Lake Cohoon Fishing Station. Boat rentals, rental trolling motors, PFD's, bait, tackle, snacks, and beverages may also be purchased at the Fishing Station.
