

Here are some driving options for getting to Portsmouth during the I-264 West Downtown Tunnel closures on weekends until May 2014:

From Hampton / Newport News / Williamsburg:

Option 1) Take the I-664 Monitor-Merrimac Memorial Bridge-Tunnel (MMMBT). The first exit to Portsmouth is 9A.

Option 2) Take I-64E and exit 258A South US 17. Go over the James River Bridge and follow US 17 S to Portsmouth.

Option 3) Take I-64E or W to Portsmouth and exit 263-A and head South on US 258 (Mercury Blvd). Cross the James River Bridge and continue to follow US-17 to Portsmouth.

From Norfolk:

Option 1) Take the Route 58 Midtown Tunnel to Portsmouth.

Option 2) Take I-264W toward the Downtown Tunnel. Take the I-464 S exit towards the South Norfolk Jordan Bridge (toll). Cross the South Norfolk Jordan Bridge to Portsmouth.

From Virginia Beach:

Option 1) Take I-264 W towards the Downtown Tunnel. Take the I-464 S exit towards the South Norfolk Jordan Bridge (toll). Cross the South Norfolk Jordan Bridge to Portsmouth.

Option 2) Take I-264 W and exit at 11-B Brambleton Avenue. Follow Brambleton Avenue for 7 miles and follow signs to the Route 58 Midtown Tunnel. Take the Midtown Tunnel to Portsmouth.

Option 3) Take I-264 W to I-64 W and continue over the High Rise Bridge. Take US 17 N exit (George Washington Hwy) and follow to Portsmouth.

Option 4) Take I-264 W to I-64 W to I-464N. Take the South Norfolk Jordan Bridge (toll) to Portsmouth.
