Less is more in Portsmouth: Clean the Bay Day Results 2003

Results for the 15th Annual Clean the Bay Day effort are in and things look good. This year we had more volunteers than usual - 446!! But, less debris to get rid of with 28,628 pounds. That's 10,000 pounds less than 2002, and almost 20,000 pounds less than 2001!!

What does this mean? It means, our hard work is paying off. Awareness, participation, and support is at an all time high. People all over Portsmouth are lending a helping hand to help us reach and maintain our goal. More people are participating in our volunteer efforts. As a result, the city saves money (free labor) and makes money. We look good so people want to live and work here. Thanks to all who made this event less and better at the same time.

Curbside Recycling Ends In Portsmouth

by Joe Grillo
General Services

- Over the next few months the City of Portsmouth will transition from curbside recycling to drop-off recycling.
- Effective July 1st, curbside recycling ended in Churchland. Residents wishing to recycle can drop off material at the Cedar Lane Fire Station.

See newsletter insert for details
