

Claudia's CORNER

Welcome Aboard New Commission Members

Civic pride means a lot of things to different people. Our distinguished city council appointed commissioners commit to terms of 2 or 3 years in helping to make Portsmouth litter free and more beautiful. These volunteers are usually a cut above the norm in putting ideals to action.

We currently have two vacancies on our Commission and would love for you to apply. Our strategic goals are on page 1 of this publication, so if you feel you can offer some leadership skills to our organization. We could use educators, marketing practitioners, fund raisers, and willing hearts! If you would like to know more about what you would do as a commissioner, call Claudia at 393-5628 or visit the website at www.portsmouthva.gov/neighborhoods.
