LANDSCAPING OUR ADOPT-A-SPOT

Carolyn Turner, a temp for the Clean Community Commission from October through January, came in like a whirlwind and planted a few flowers a long the way – 75 pansies to be exact. Carolyn, a resident of Cavalier Manor, is active in the community and loves the outdoors. She spear-headed the Commission's own Adopt-A-Spot Project down at the down-town tunnel entrance by planting a floral shaped "P" for Portsmouth at the prominent scenic welcome to Portsmouth Sign at that location. Thank you Carolyn for your hard work and efforts for the community.
