- (1) Personal property taxes are assessed on property owned as of January 1 and become due June 5th of each year. Because the due date falls so near the last day of the fiscal year there is normally a substantial amount of delinquent taxes receivable as of the close of the fiscal year, the majority of which is collected in the following fiscal year.
- (2) The statute of limitations on the collection of 1997 and earlier delinquent personal property taxes expired on July 1, 2001 and have been removed from the books of the City effective that date.
