

## Jordan Bridge Demolition Process

As part of the demolition process of the Jordan Bridge, the contractor will remove the bridge supports on the Portsmouth side of the Elizabeth River on Tuesday, August 24<sup>th</sup> and Thursday, August 26<sup>th</sup> between the hours of 8 a.m. and 12 noon.

Residents in the vicinity could possibly hear a noise from this demolition process which is referred to as concrete-cracking. There is no danger to the public from this event. Individuals who have questions should call the Fire Marshal's Office at 393-8689.

***Thank you!***
