New Gravity Sewer Project To Close Lanes Temporarily

The City of Portsmouth announces the closure of all lanes of Elm Avenue and Centre Avenue at their intersection from February 15th through February 24th. This closure is to allow installation of new gravity sewer across Elm Avenue and up Centre Avenue heading west toward Oak Street.

Truck traffic will need to avoid Elm Avenue between George Washington Highway and Portsmouth Blvd. Local traffic will detour thru the neighborhood.

This work is scheduled to begin at 8 a.m. on the 15th and is scheduled to be completed by 4 p.m. on the 24th. For more information, call the Department of Engineering at 393-8592.
