Normal Bulk Collection Routes to Resume on June 20th

The Public Works Department announces that the bulk collections for storm debris, resulting from the May 24th storm, have been completed across the city. Effective Monday, June 20th, the Waste Management Division will resume all normal bulk collection routes.

The Waste Management Division will continue to collect storm debris that residents place at the curb in addition to the bulk items like appliances, rugs, furniture, etc., during the normal collection routes.

For more information, please call the Division of Waste Management at 393-8663.

The City of Portsmouth appreciates the cooperation and patience of our residents as we concentrated on storm debris clean-up after the storm.
Thank you!
