### **Mosquito Aerial Spraying to Include Portsmouth Areas**

Joint Base Langley-Eustis announces that they will conduct mosquito aerial spraying next week in locations that will include Craney Island and Portsmouth areas north of I-164. From Tuesday, June 21<sup>st</sup> through Friday, June 24<sup>th</sup>, the aerial spraying is scheduled to take place from approximately 5:45 p.m. until dusk.

A specially designed C-130 Hercules airplane will be flying as low as 150 feet over these areas to train aircrew and spray Dibrom Concentrate.

Beekeepers are asked to keep their bees covered during the spraying operations. Persons with known allergic reactions should stay indoors.

For more information or updates, City of Portsmouth residents should call 393-8666.
