“Novel Destinations” - Portsmouth Public Library Reading Program for Adults

Portsmouth Public Library announces a free library program designed for book lovers ages 18 and older, called “Novel Destinations”. Participants in this book reading program can earn great prizes including a chance to win a new Barnes and Noble NOOK e-reading tablet!

Interested adults should follow the steps below to participate:

1. Register with your library card number and four-digit pin at your local Portsmouth branch. Once you register, you can log in to your summer reading account at home or at any branch.
2. Read, read, and read any books of your choice.
3. Enter the books you have read into your account. After you read and log five books, you will receive a mug and a free book from your local branch.
4. To enter the grand prize drawing for a Nook Reader, fill out an entry form for each of the five books that you read. Drop these off at the front desk at your local branch.
5. The drawing will be held after “Novel Destinations” ends on July 30th.
