

Right-of-Way Inspections and Non-City projects

Effective Immediately

All Inspections will be conducted between 8:00 a.m. and 12:00 p.m.

There will be no exceptions to this and no specific times for inspections will be set.

No same day inspections will be conducted. A 24 hour notice is required for ALL Inspections.

If the area to be inspected is not ready when the inspector arrives then the specific inspection will be rejected and a \$100 re-inspection fee will be required to be paid prior to re-scheduling the next inspection.
