THE CITY OF

PORTSMOUTH

Deloris Overton Short
General Registrar & Director of Elections

HELPFUL TIPS ON ELECTION DAY

1. **Know Where To Go.**
   - Double-check the location of your polling place. It may have changed since the last election.
   - All polling location names and addresses are listed on the registrar's website, www.portsmouthva.gov/registrar.
   - Contact the registrar's office at (757) 393-8644 or visit www.elections.virginia.gov if you have any questions.

2. **Know When To Go.**
   - You are more likely to avoid crowds at the polls during the mid-morning and mid-afternoon hours.
   - Be patient while waiting to vote. Every person will be serviced.

3. **Know What To Bring.**
   - Virginia requires that you present an acceptable photo identification card (photo ID) whenever you vote in person.
   - For a complete list of the acceptable forms of photo identification, visit www.elections.virginia.gov.

4. **Know How You Want To Vote.**
   - Review a sample ballot before Election Day to make it easier and quicker to complete your actual ballot at the polls.
   - Sample ballots are posted online and are available in the registrar's office.

5. **Know Where To Get Help.**
   - Feel free to ask election officers questions. They are there to help.
   - If you make a mistake while voting, tell an election officer right away.
