

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2017 Continuum of Care (CoC) Program Competition. For more information see FY 2017 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2017 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2016 Project Application will be imported into the FY 2017 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2016 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2017 CoC Program Competition NOFA.

Additional Information

Now that you have completed Part 1 of the application, please review Parts 2-7, which are in Read Only mode. Screen 3C, which is mandatory for all PH-PSH projects and screens 6D, 7A and 7B which are mandatory for all projects will be editable and must be answered prior to submission.

Once you are done reviewing, you will be guided to a "Submissions without Changes" screen. At this screen if you decide no edits or updates are required to any screens other than the mandatory questions for 3C and/or 6D,7A and 7B, you are allowed to submit the application without ever needing to edit the rest of the application. However, if you determine that changes need to be made to the application, we have given you the ability to open up individual screens for edit, instead of the entire application.

Once you select the screens you want to edit via checkboxes, you will click "Save", and those screens will be available for edit. An important reminder, once you make those selections and click "Save", you cannot uncheck those boxes. You are allowed to select additional boxes even after saving your initial selections. Again, you must click "Save" for those newly selected screens to be available for edit.

If your project is a First Time Renewal, your project will not be able to utilize the "Submit Without Changes" function. The Submissions Without Changes page will be automatically set to "Make Changes" and you will be required to input data into the application for all required fields relevant to the component type.

Portsmouth Christian Outreach Ministries (PCOM) has been an active community partner providing homelessness services in Portsmouth, VA for the past 20 years. In this role we outreach to the homeless persons on the streets via a coordinated central intake structure within the Continuum’s coordinated entry and assessment system. PCOM provides 10 transitional living quarters to single individuals needing temporary housing. Our transitional housing program is a bridge between homelessness and permanent housing, with a goal of providing permanent housing as quickly as possible. Many people need the structure that transitional housing provides in order to have a successful move into permanent housing. Portsmouth’s unsheltered homeless population is primarily African American men with social, and or health barriers preventing access to permanent housing. By adhering to the Housing First approach, PCOM’s transitional housing program will be responsible for dramatically reducing homelessness while preparing clients for the future. All referrals received through Central Intake are initially assessed through our intake process for access to mainstream services (SSI, SNAP, Medicaid/Medicare, etc.), barriers to housing access, and prioritized for housing based on homelessness status. For those meeting HUD’s definition of homelessness, PCOM provides transitional housing as beds are available. Case management is immediately available and an individual housing plan is developed on a case by case basis. Participants are encouraged but not mandated to actively participant in their plan to gain employment, social services, and educational benefits. PCOM coordinates with local businesses, government agencies, faith based organizations, educational institutions, and nonprofits to ensure that clients have access to services that they need such as life skills training, employment training, and mental health/substance abuse counseling. Within walking distance clients have access to GED instruction and training, and the Portsmouth Community Health Center. PCOM reduced the time that an individual can stay at our facility from 24 to 12 months. This method has motivated clients to more actively prepare themselves for permanent housing and allows PCOM to accommodate more people. (However if more time is needed an extension may be granted) Portsmouth is economically distressed with the highest unemployment rate, lowest academic achievement rate, and high rates of adult men not attached to the labor market in South Hampton Roads. While permanent housing and housing first is the driving force behind our program, we also recognize that many people exiting shelters or living on the street require additional guidance and support to prepare them for the responsibilities of independent living. Since our conception in 1997 we have housing more than 400 residents in our TH facility.
