**SHELTER LISTING
PORTSMOUTH PUBLIC SCHOOLS**

Portsmouth public schools have been designated as primary and secondary shelters.

“Primary shelters” are those shelters that will be used to provide emergency shelter, and supported by the American Red Cross during pre-landfall. Schools will be operated by personnel trained in shelter management and supported by other public employees. Selected volunteers may also assist.

“Secondary shelters” are designated to serve as overflow facilities and for staging of supplies or other support functions. Secondary shelters may be pressed into service as “primary” shelters if circumstances warrant, but will not be supported by the American Red Cross. Generally, they are not desirable for housing adult populations for extended periods.

Churchland Middle School has been identified as a “Pet Friendly” shelter. See Annex V – Emergency Pet Sheltering for restrictions.

I.C. Norcom High School has been identified as a “Medically Friendly” shelter. Citizens with special medical needs, who are bedridden or power dependent may shelter there along with a caregiver.

* Denotes pre-landfall Red Cross sponsored shelters

School	Address	Evacuation Zone	Shelter Capacity
*Churchland Middle School	4051 River Shore Road 23703 Phone: 757-686-2512 Fax: 757-686-2515	D	1365
