Local Business Organization Provides Support for Healthcare Staff in Nursing Homes

(PORTSMOUTH, VA - July 7, 2020) - On June 3, **Queen of Virginia Skill and Entertainment** paid six Italian restaurants in Hampton Roads to make pizzas for lunch for the staffs at 13 nursing homes and one emergency room in the Hampton Roads region. The restaurants, which host Queen of Virginia's skill games, have suffered financially during the pandemic. And the nursing homes have worked diligently to keep **the virus away from its very vulnerable residents**. The Queen of Virginia Skill & Entertainment (QVS) places skill games in bars, restaurants and convenience stores across the state of Virginia. The organization shares a portion of sales with nonprofits.

Queen of Virginia Skill and Entertainment wants to thank the nursing facilities, the restaurants and three fire departments who participated in this one-day project, which generated significant media coverage. The business group recently shared a video of the project on social media. To view, visit <https://youtu.be/n77ZEjbxATo>.
