Lane Closures During Infrastructure Work

The Department of Engineering announces the lane closures and traffic alerts below that begin this week.

- The following streets will be closed with detours from Wednesday, October 21st, thru Friday, October 23rd, during sewer-related work. The daily closures will be from 7 a.m. until 5 p.m. with the streets reopening at the end of each day.
 - Maple Street, from Duke Street to Race Street
 - Race Street, from Duke Street to Prentis Avenue
- During milling and paving work, Taft Drive, between Cavalier Boulevard and Avondale Road, will have moving lane closures with flaggers from Thursday,

October 22nd, until Thursday, October 29th. Two-way traffic will be maintained during the work which is scheduled for 7 a.m. until 6 p.m. daily.

For more information, please call the Department of Engineering at 393-8592.
